To: Principals of Member Schools

Newsletter No.1 (2021/22)

The Executive Committee (EC) would like to wish you all a successful and fulfilling year ahead. In this newsletter, we would like to present a snapshot of what the EC has done, and to announce the arrangement for our 50th anniversary conference and annual general meeting.

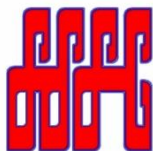

I. Reports

1. General Meeting (2020/21)

The GM (2020/21) was held on 26th May 2021 on Zoom application with an attendance of 143 member school principals and vice principals. We were pleased to have representatives from the Education Funders Circle to share with us on how different funds supported students, parents and schools. Besides, representatives from the Electrical and Mechanical Services Department (EMSD) shared with us their support measures on enhancing energy conservation and cultivating a green school culture. The programme "Green Schools 2.0 - Energy Smart" was introduced.

2. Student Population

The Chairman, together with the EC members, attended various meetings with the Education Bureau discussing the captioned issue. In the short term, we recommended the Education Bureau to consider more flexible arrangements regarding S.1 school places allocation in times of the decline in student population. In the long run, the Council would meet the representatives from the Bureau continuously, probing into population planning and the educational environment in Hong Kong.
